## Important Information

This statement is provided to customers of Wells Fargo Securities, LLC ("WFS"). Statements are provided monthly for accounts with transactions and/or security positions. The account statement contains a list of securities held in safekeeping by WFS as of the statement date and provides details of purchase and sale transactions, the receipt and disbursement of cash and securities, and other activities relating to the account during the statement period.

For WFS customers who choose to maintain a safekeeping account at Wells Fargo Bank, N.A. ("Bank"), this statement is accompanied by a separate Bank safekeeping statement. The Bank safekeeping statement, if applicable, contains a list of securities held in safekeeping by the Bank as of the statement date.

**Pricing:** Security and brokered certificate of deposit ("CD") prices shown on the statement are obtained from independent vendors or internal pricing models. While we believe the prices are reliable, we cannot guarantee their accuracy. For exchange-listed securities, the price provided is the closing price at month end. For unlisted securities, it is the "bid" price at month end. The prices of CDs that mature in one year or less are shown at last price traded. The price of CDs that mature in greater than one year and of other instruments that trade infrequently are estimated using similar securities for which prices are available. Prices on the statement may not necessarily be obtained when the asset is sold.

**Brokered CD Pricing:** Like bonds, brokered CDs are subject to price fluctuation and the value of a CD if sold prior to maturity, may be less than at the time of its purchase. Significant loss of principal could result. While WFS generally makes a market in CDs it underwrites, the secondary market for CDs that it does not underwrite may be very limited. In those cases, WFS will use its best efforts to help investors find a buyer.

**SIPC:** WFS is a member of the Securities Investor Protection Corporation ("SIPC"). In the event of insolvency or liquidation of WFS, securities held in safekeeping at WFS are covered by SIPC against the loss, but not investment risk, up to a maximum of \$500,000 per customer, which includes a \$100,000 limit on claims for cash held in the account. SIPC protection does not provide any protection whatsoever against investment risk, including the loss of principal on an investment. This coverage does not apply to securities held in safekeeping by the Bank. Additional information about SIPC, including a SIPC brochure, may be obtained by visiting [www.sipc.org](http://www.sipc.org) or by calling SIPC at 202-371-8300.

**FINRA BrokerCheck Program:** WFBFS is a member of the Financial Industry Regulatory Authority (FINRA). Under its BrokerCheck program, FINRA provides certain information regarding the disciplinary history of broker/dealers and their associated persons. Information can be obtained from the

FINRA BrokerCheck program hotline number (800-289-9999) or the FINRA web site ([www.finra.org](http://www.finra.org)). A brochure describing the FINRA BrokerCheck program will be furnished upon written request.

**Free Credit Balances:** Any customer free credit balances may be used in the business of WFS subject to limitation of 17 CFR Section 240 § 15c(3)(2) under the Securities Exchange Act of 1934. In the course of normal business operations, a customer has the right to receive delivery of the following: any free credit balances to which he or she is entitled, any fully paid securities to which he or she is entitled, and any securities purchased on margin upon full payment of indebtedness to WFS.

**Equity Order Routing:** WFS will route equity orders taking into consideration among other factors, the quality and speed of execution as well as the credits, cash or other payments it may receive from any exchange, broker/dealer or market center. This may not be true if a customer has directed or placed limits on any orders. Whenever possible, WFS will route orders in an attempt to obtain executions at prices equal or superior to the nationally displayed best bid or offer. WFS will also attempt to obtain the best execution regardless of any compensation it may receive. WFS uses the compensation received to help keep costs competitive and provide customers with quality execution services. The nature and source of credits and payments WFS receives in connection with specific orders will be furnished to a customer upon request. WFS prepares quarterly reports describing its order routing practices for non-directed orders routed to a particular venue for execution. A printed copy of this report is available upon written request or by visiting: [www.tta.com/reports/1-f6wchv/WFS](http://www.tta.com/reports/1-f6wchv/WFS) will provide more detailed information relating to the routing of any order executed within six months of the request.

**Equity Extended Hours Trading:** See important information relating to equities trading before and after regular trading hours at: [www.wellsfargo.com/cons/securities/regulatory](http://www.wellsfargo.com/cons/securities/regulatory).

**Equity Open Orders:** Open orders will remain in effect until executed or canceled by you. Failure to cancel an open order may result in the transaction being executed for your account. WFS has no responsibility to cancel an open order at its own initiative.

**Dividend Reinvestment:** In any dividend reinvestment transaction, WFS acted as agent. Additional information regarding transactions of this nature will be furnished to a customer upon written request.

**Account Transfers:** A fee will be charged to customers transferring their existing WFS account to another broker/dealer or any other financial institution.

**Non-deposit investment products recommended, offered or sold by WFS,** including mutual funds, are not federally insured or guaranteed by or obligations of the Federal Deposit Insurance Corporation

("FDIC"), the Federal Reserve System or any other agency; are not bank deposits; are not obligations of, or endorsed or guaranteed in any way by any bank or WFS; and are subject to risk, including the possible loss of principal, that may cause the value of the investment and investment return to fluctuate. When the investment is sold, the value may be higher or lower than the amount originally invested. WFS is a subsidiary of Wells Fargo & Company, is not a bank or thrift, and is separate from any other affiliated bank or thrift. WFS is a registered broker-dealer and member of FINRA. No affiliate of WFS is responsible for the securities sold by WFS.

**Mutual Funds:** The distributor of Wells Fargo Advantage Funds is affiliated with WFS. Mutual funds are sold by prospectus only. Please read the prospectus for further information including sales charges, deferred sales charges, withdrawal charges and management or other fees.

**Financial Statements:** WFS financial statements are available upon request.

**Trade Confirmations:** Investment purchases and sales are subject to the terms and conditions stated on the trade confirmation relating to that transaction. In the event of a conflict between the trade confirmation and this statement, the trade confirmation will govern.

**Customer Complaints and Reporting Discrepancies:** Customer complaints, or discrepancies should be promptly reported in writing to:

Charlotte, NC 28244-0002

Customers may also report complaints, inaccuracies or discrepancies by calling 1-800-326-5897. International callers should call 877-856-8878. To further protect their rights, including rights under the Securities Investor Protection Act, customers should also re-confirmed writing to the above address any oral communications with WFS relating to the inaccuracies or discrepancies.

**Eurodollar Deposits:** Funds invested in a Eurodollar Island branch, a foreign branch of the Bank. As an offshore deposit liability payable at the Bank's Grand Cayman Island branch, the deposits are subject to Grand Cayman Island laws, regulations and governmental actions regarding exchange controls, assets seizures and other restrictions. Deposits payable only outside the U.S. also have a lower priority than deposits payable at a U.S. branch in liquidation. In addition, deposits held in a foreign U.S. bank branch are not insured by the FDIC or otherwise guaranteed by the U.S. government or any of its agencies.

## Important Information

This statement is provided to customers of Wells Fargo Securities, LLC ("WFS"). Statements are provided monthly for accounts with transactions and/or security positions. The account statement contains a list of securities held in safekeeping by WFS as of the statement date and provides details of purchase and sale transactions, the receipt and disbursement of cash and securities, and other activities relating to the account during the statement period.

For WFS customers who choose to maintain a safekeeping account at Wells Fargo Bank, N.A. ("Bank"), this statement is accompanied by a separate Bank safekeeping statement. The Bank safekeeping statement, if applicable, contains a list of securities held in safekeeping by the Bank as of the statement date.

**Pricing:** Security and brokered certificate of deposit ("CD") prices shown on the statement are obtained from independent vendors or internal pricing models. While we believe the prices are reliable, we cannot guarantee their accuracy. For exchange-listed securities, the price provided is the closing price at month end. For unlisted securities, it is the "bid" price at month end. The prices of CDs that mature in one year or less are shown at last price traded. The price of CDs that mature in greater than one year and of other instruments that trade infrequently are estimated using similar securities for which prices are available. Prices on the statement may not necessarily be obtained when the asset is sold.

**Brokered CD Pricing:** Like bonds, brokered CDs are subject to price fluctuation and the value of a CD, if sold prior to maturity, may be less than at the time of its purchase. Significant loss of principal could result. While WFS generally makes a market in CDs it underwrites, the secondary market for CDs that it does not underwrite may be very limited. In those cases, WFS will use its best efforts to help investors find a buyer.

### SIPC:

WFS is a member of the Securities Investor Protection Corporation ("SIPC"). In the event of insolvency or liquidation of WFS, securities held in safekeeping at WFS are covered by SIPC against the loss, but not investment risk, up to a maximum of \$500,000 per customer, which includes a \$100,000 limit on claims for cash held in the account. SIPC protection does not provide any protection whatsoever against investment risk, including the loss of principal on an investment. This coverage does not apply to securities held in safekeeping by the Bank. Additional information about SIPC, including a SIPC brochure, may be obtained by visiting [www.sipc.org](http://www.sipc.org) or by calling SIPC at 202-371-8300.

**FINRA BrokerCheck Program:** WFSB is a member of the Financial Industry Regulatory Authority (FINRA). Under its BrokerCheck program, FINRA provides certain information regarding the disciplinary history of broker/dealers and their associated persons. Information can be obtained from the

FINRA BrokerCheck program hotline number (800-289-9899) or the FINRA web site ([www.finra.org](http://www.finra.org)). A brochure describing the FINRA BrokerCheck program will be furnished upon written request.

**Free Credit Balances:** Any customer free credit balances may be used in the business of WFS subject to limitation of 17 CFR Section 240 § 15c(3)(2) under the Securities Exchange Act of 1934. In the course of normal business operations, a customer has the right to receive delivery of the following: any free credit balances to which he or she is entitled, any fully paid securities to which he or she is entitled, and any securities purchased on margin, upon full payment of indebtedness to WFS.

**Equity Order Routing:** WFS will route equity orders taking into consideration, as well as the credits, cash or other payments it may receive from any exchange, broker/dealer or market center. This may not be true if a customer has directed or placed limits on any orders. Whenever possible, WFS will route orders in an attempt to obtain executions at prices equal or superior to the nationally displayed best bid or offer. WFS will also attempt to obtain the best execution regardless of any compensation it may receive. WFS uses the compensation received to help keep costs competitive and provide customers with quality execution services. The nature and source of credits and payments WFS receives in connection with specific orders will be furnished to a customer upon request. WFS prepares quarterly reports describing its order routing practices for non-directed orders routed to a particular venue for execution. A printed copy of this report is available upon written request or by visiting: [www.tia.thomson.com/reports/1-f6wchv/WFS](http://www.tia.thomson.com/reports/1-f6wchv/WFS). WFS will provide more detailed information relating to the routing of any order executed within six months of the request.

**Equity Extended Hours Trading:** See important information relating to equities trading before and after regular trading hours at: [www.wellsfargo.com/com/securities/regulatory](http://www.wellsfargo.com/com/securities/regulatory).

**Equity Open Orders:** Open orders will remain in effect until executed or canceled by you. Failure to cancel an open order may result in the transaction being executed for your account. WFS has no responsibility to cancel an open order at its own initiative.

**Dividend Reinvestment:** In any dividend reinvestment transaction, WFS acted as agent. Additional information regarding transactions of this nature will be furnished to a customer upon written request.

**Account Transfers:** A fee will be charged to customers transferring their existing WFS account to another broker/dealer or any other financial institution.

**Non-deposit investment products recommended, offered or sold by WFS,** including mutual funds, are not federally insured or guaranteed by or obligations of the Federal Deposit Insurance Corporation

("FDIC"), the Federal Reserve System or any other agency; are not bank deposits; are not obligations of, or endorsed or guaranteed in any way by any bank or WFS; and are subject to risk, including the possible loss of principal, that may cause the value of the investment and investment return to fluctuate. When the investment is sold, the value may be higher or lower than the amount originally invested. WFS is a subsidiary of Wells Fargo & Company, is not a bank or thrift, and is separate from any other affiliated bank or thrift. WFS is a registered broker-dealer and member of FINRA. No affiliate of WFS is responsible for the securities sold by WFS.

**Mutual Funds:** The distributor of Wells Fargo Advantage Funds is affiliated with WFS. Mutual funds are sold by prospectus only. Please read the prospectus for further information including sales charges, deferred sales charges, withdrawal charges and management or other fees.

**Financial Statements:** WFS financial statements are available upon request.

**Trade Confirmations:** Investment purchases and sales are subject to the terms and conditions stated on the trade confirmation relating to that transaction. In the event of a conflict between the trade confirmation and this statement, the trade confirmation will govern.

**Customer Complaints and Reporting Discrepancies:** Customer complaints, or discrepancies should be promptly reported in writing to:

Customer Support  
201 South College Street  
CP-6, MACRD 100-000  
Charlotte, NC 28244-0002  
CMClientSupport@wellsfargo.com

Customers may also report complaints, inaccuracies or discrepancies by calling 1-800-326-5807. International callers should call 877-856-8878. To further protect their rights, including rights under the Securities Investor Protection Act, customers should also re-confirmed writing to the above address any oral communications with WFS relating to the inaccuracies or discrepancies.

**Eurodollar Deposits:** Funds invested in a Eurodollar Deposit are held on deposit at the Bank's Grand Cayman Island branch, a foreign branch of the Bank. As an offshore deposit liability payable at the Bank's Grand Cayman Island branch, the deposits are subject to Grand Cayman Island laws, regulations and governmental actions regarding exchange controls, assets seizures and other restrictions. Deposits payable only outside the U.S. also have a lower priority than deposits payable at a U.S. branch. In liquidation, in addition, deposits held in a foreign U.S. bank branch are not insured by the FDIC or otherwise guaranteed by the U.S. government or any of its agencies.
